Create an Account and Use a Membership Code

If you do not have a Life & Death Matters Account, start here.

Create an Account

1. Click the menu item [Login / Create Account](#) at the top right of the website.
2. Enter your information on the right side of the page, under the title, **Create an Account**. Remember the email address that you enter, as you will need to use the same email address to login to your account.
Passwords need to be twelve characters long. To make strong passwords, use a mixture of upper and lower case letters, numbers, and symbols like such as ! " ? \$ % ^ & and).
3. Click the button **Create Account** to finish creating your account.

If you have a Life & Death Matters account, start here.

Using a Membership Code

1. Login to the Life and Death Matters website using your email address and password.
2. On the page that opens, click the button **Register Now** (on the right side of the page) to open the membership code page.
3. Enter the **Membership Code** in the space provided.
4. Click on **Redeem** to activate your membership.

If you have an account and have entered your membership code, start here.
